About the Seminar

BLDEA's AVS Ayurveda Mahavidyalaya is one of the oldest institute in North Karnataka. During the 60 years of its existence, it is established as one of the leading research centre in the various fields of Ayurveda. The institute has organized many National and International seminars on the concepts and recent trends in Ayurveda. The National Level Seminar on Research Methodology and Synopsis Writing "Anusandhana" is organizing every year in collaboration with Rajiv Gandhi University of Health Sciences, Karnataka, Bangalore. This year "Anusandhana 2023" is hosted with the objectives to gain new insights into Research protocol in Ayurveda, understanding the Bio-statistics as well as to gain familiarity about Intellectual Property Rights. The estimated beneficiaries of this seminar will be the Teaching faculty, Ph.D, Postgraduate scholars of Ayurveda and final year Undergraduate students of BAMS.
